# Annual Report of Chief Engineer of Fire Department.

---

I hereby submit the eleventh annual report of the condition of the fire department for the year ending Feb. 1, 1908, containing a full and complete list of the officers and members, condition of apparatus, number of fires, the cause, the loss and insurance as near as can be ascertained, the amount of money expended, and recommendations.

## FORCE OF DEPARTMENT.

The force of the department consists of forty-three men, classed as follows: One chief engineer, two assistant engineers, four foremen, four assistant foremen, thirty-two hosemen, ladder men and axe men.

## FIRES AND ALARMS.

The number of alarms the department has responded to from Feb. 22, 1907, to Feb. 1, 1908, are as follows: Two bell alarms and four still alarms.

Still alarm, Feb. 25, 1907, at 10.25 a. m., from Chas. Tarr's residence, corner of Chestnut and Kimball streets, caused by chimney fire, extinguished by chemical from Hose Co. No. 1. No damage.

Bell alarm, Sept. 21, 1907, at 10.15 p. m., from the Hodges ice house, scalded. The department responded promptly. Hose Co. No. 3 laid 400 feet of hose from hydrant No. 21, got good water pressure. Caused by the burning of rubbish. No damage.

Still alarm, Nov. 2, 1907, at 11.15 a. m., from Frank Lint's residence, Lincoln street. Cause, chimney fire. Extinguished by chemical from Hose Co. No. 3. No damage.

Still alarm, Nov. 8, 1907, at 3.35 p. m., from Miss Sarah Preble's store, corner Main street and railroad. Caused by sparks from M. C. engine on roof. Extinguished by chemical from Hose No. 1. No damage.

Bell alarm, Dec. 8, 1907, at 6.30 p. m., from Capt. Charles Reed's mill, Kimball street. Caused by spark on roof from own engine. The department responded in good time, the fire being slight it was extinguished by chemical. No damage.

Still alarm, Jan. 26, 1908, at 5.15 p. m., from Capt. Charles Reed's mill, Kimball street, caused by spark on roof from own engine. Extinguished by chemical. No damage.

### LOSSES AND INSURANCE.

The entire loss by fire this year will not exceed two dollars.

### APPARATUS.

The apparatus in the department consists of two hose wagons with two pony chemicals each, one hose reel, one hook and ladder truck, two pony chemicals on Mt. Pleasant, at J. J. ## RECOMMENDATIONS

I would recommend the purchase of 500 feet of hose to replace that which has been in use for twenty years and is getting weak. I would recommend an appropriation of \$700 00 for the Fire department for the year ending Feb. 1, 1909.

## CONCLUSION

In closing my eleventh report I desire to again state that we have been unusually fortunate from the fact that *two* dollars covers all damage occasioned by *fire* during the year.

The fire department has been called out but twice and although both calls came after dark were responded to quickly it being but a very few moments before at least one hose company was on the spot.

As this is the close of my thlrty-third year of service as one of the engineers on the fire department I wish to take this opportunity to publicly extend my sincere thanks to every person who is or has been a member of the fire department for their uniform kindness, courtesy and obedience to orders,

Their conduct has been just what ought to have been expected from one of the best volunteer fire departments in the State. I also desire to extend to the public generally my appreciation for service rendered by them continuously during that same thirty-three years.

Respectfully submitted,

J. CLARK FLAGG, Chief.

In closing my connection with the schools for the year 1907, I desire to extend to the several teachers in town my appreciation for the interest they have manifested in their work, for their efforts each term to make that term better than the preceding one, and the fact that they have worked early and late with that object in view. I believe that each one has done his or her very best, and I desire

to take this opportunity to thank them for their conscientious efforts.

I desire to call the attention of the citizens of Richmond to the urgent need of a High School building suitable, convenient and up-to-date.

Just look at the High School buildings of other towns and then compare them with the one in use in your own town.

Respectfully submitted,

CHAS. D. NEWELL, Superintendent.
